

Privacy Policy

We value your privacy and the confidentiality of the information you choose to share. This statement pertains only to the RadComp.org website. This statement is not intended to, and does not create, any contractual or other legal rights on behalf of any party. Please use our Contact Us form if you have any questions about this policy statement after reviewing.

Commitment to Privacy

The RadComp Trial, The “Pragmatic Phase III Randomized Trial Of Proton Vs. Photon Therapy For Patients With Non-Metastatic Breast Cancer Receiving Comprehensive Nodal Radiation: A Radiotherapy Comparative Effectiveness (RadComp) Consortium Trial,” at the University of Pennsylvania is committed to providing access to services and information online in a manner that respects and protects your privacy. This statement describes our information collection practices and explains how we use and protect your personal information.

Scope

This statement applies only to information collected by this web site. It does not apply to RadComp social media accounts or links to external, third party websites provided on RadComp.org.

What we Collect and why

We collect the following types of information about you:

- Personally identifiable information that you provide voluntarily via our contact form. This includes information such as your name, email, and location which allows us to respond to your requests.

This information is used to respond to your requests, communicate with you, and provide you with better service. We may combine this information with information from previous requests to provide you with added convenience and correspondence. We will not share this information beyond what is necessary to respond appropriately to your request.

- Auto-collected information (web logs). Our web server automatically recognizes the Internet domain and IP address from which you accessed our web site, the date and time of your visit, and the pages you visited on our site, as well as information automatically forwarded by your browser. This information is used to help us understand aggregate uses of our site, track usage trends, and improve our services. Web logs may also be used for system problem monitoring and maintenance. This information is retained on a temporary basis and then deleted completely from our systems.

Contact

We will not send you email newsletters or other electronic communications about services, programs or website features unless you ask to receive them. We will not send you email unless you have requested it.

External Links

Our site provides links to other third party websites that may have privacy statements that are different from ours. We are not responsible for the content or privacy statements of those websites. If you are asked to supply personal information to those websites, we suggest you read carefully through the privacy statements of those websites.

Children under 13

This web site is intended for use by people aged 13 or older. If you are under 13, please do not send any information about yourself to us, including your name, address, telephone number, or email address. In the event that we learn that we have collected personal information from a child under age 13, without verification of parental consent, we will delete that information as quickly as possible. Please contact us if you believe that we might have any information from or about a child under 13.

Changes to Statement

We reserve the right to modify this privacy statement at any time and will post the changes on this site.
